

Investment Allocation Fill out Option I, Option II, or Option III. **Please complete only one.**

Allocation

(Please fill out Option I, Option II, or Option III. Do not fill out more than one option section.)

By completion of Option I or Option II you enroll in GoalMaker, Prudential's asset allocation program, and you direct Prudential to invest your contribution(s) according to a GoalMaker model portfolio that is based on your risk tolerance and time horizon. You also direct Prudential to automatically rebalance your account quarterly according to the model portfolio chosen. Enrollment in GoalMaker can be canceled at anytime.

Please refer to the Get Started Guide for more information on rebalancing and age adjustment.

Option I or Option II must be completed accurately, otherwise your investment allocation will be placed in GoalMaker with age adjustment.

Option III must be completed accurately and received by Prudential **before** assets are accepted; otherwise, contributions will be placed in the default investment option selected by your plan. Upon receipt of your completed enrollment form, **all future** contributions will be allocated according to your investment selection. You must contact Prudential to transfer any **existing** funds from the default option.

Option I – Choose GoalMaker with Age Adjustment

By selecting your risk tolerance, and confirming your expected retirement age below, your contributions will be automatically invested in a GoalMaker model portfolio that is based on your risk tolerance and years left until retirement. You also confirm your participation in GoalMaker's age adjustment feature, which adjusts your allocations over time based on your years left until retirement.

Select Your Risk Tolerance **Conservative** **Moderate** **Aggressive**

Confirm Your Expected Retirement Age

Please use as my expected retirement age. If no expected retirement age is chosen, your expected retirement age will default to the normal retirement age that is reflected in your Collective Bargaining Agreement.

Option III – Design your own investment allocation

If you would like to design your own asset allocation instead of selecting GoalMaker, designate the percentage of your contribution to be invested in each of the available investment options. (Please use whole percentages. The column(s) must total 100%.)

I wish to allocate my contributions to the Plan as follows:
